

After the  
moving is over

and you find this and that broken,  
or that the furniture doesn't fit the  
new place, or that the carpet won't  
cover the floors, you will need the  
services of a furniture man.

That's where we come in, not  
with a common low grade of goods,  
but with goods substantial in char-  
acter and low in price.

Moderate purses will do here.  
Our prices sell the goods, and  
terms of payment will be made to  
suit you. Send for our Booklet—  
a postal card will bring it.
